

## **“Father’s Inner Room”**

*I would like to welcome you to this prayer group...*

*We are going to be meeting on Wednesday nights from 7.30 to 9.30 AWST. To pray to Abba Father with thanksgiving, requests and pleas for our brothers and sisters, for the lost, for the orphan’s, for the sick, be it mentally, emotionally, spiritually, physically or psychologically. For the widows and for the imprisoned .... for our leaders, Nations...and our enemy's.*

*And of course The Father's Nation, our Nation Israel, our Hebrew brothers and sisters and for the peace of Jerusalem.*

*To go into spiritual warfare, against the Adversary, his demons and followers... (The Lord Rebuke You evil one)*

*We are going to make “Father’s Inner Room”, just that! "an inner room", so I pray to whoever becomes involved that all prayers are confidential, nothing leaves the room...So that Abba Father will hear us and bless us in answering our prayers...*

*I would like to introduce myself. My name is Karen Nimmo, I was asked by brother Amir Nathanael (Atieh) to pray about starting this prayer group...So I did pray and got confirmation to go ahead.*

*We are just followers of “The Way” We Follow only The Father of Abraham, Isaac and Jacob, The Creator of All Things. His only begotten Son “Yeshua HaMashiach/Lord Christ Jesus. Our Saviour, Redeemer and sacrificial Lamb.*

*I have also asked Amir to be headship over me as Yeshua is Head over him. ( there is order to follow).*

*Brothers and sisters, everyone is equal in this group, I will be there as well as Amir Nathanael (Atieh) and sister Helenah. To oversee the running and to make sure all aligns with The Word of Our Abba Father.*

*I would also like to say many of us use different languages to express who Elohim is. So I am asking you that you would respect how people pray and not take offence to the way people express His Name.... For our Father made all languages and knows and sees our hearts.  
(whoever is for us is not against us)*

*We are called to be peacekeepers.... So, I pray that is what we will be with each other, so that the Ruach HaKodesh/Holy Spirit can work the fruit of the Spirit through us all.*

*So I welcome you...to this prayer room, our inner room. I myself am walking on the road to get to the end of this race, (many mistakes along the way). but with our King leading the way in His Grace, Mercy and His Truth, as we all are...every single one of us a part of His Holy Body, His temple, His Kingdom...May we all walk in unity for “The Sake of His Name”*

*Forgive and love each other as He has forgiven us.*

*Blessings and Shalom.*

*In The Name of our King Yeshua HaMashiach/Lord Christ Jesus.*

*Amen.*
